GERMANS YIELD TWO FRONTS

RUSSIANS GAIN ON THE EAST AND BRITISH ON WEST

RUSSIANS FIGHTING ON THE WEST FRONT

Repulse Attack in Trenches in Champagne and Inflict Heavy Losses on the Germans

(By Associated Press.)  
PARIS, July 17.—The Germans delivered two attacks in the province of Lorraine and an official dispatch says both assaults were repulsed. They were delivered at a point south-east of Nomeny. West of Fleury the French made progress. A German raid on a trench in Champagne occupied by Russian troops, was successfully met by a counter attack, causing heavy German losses. On the Verdun front the night was comparatively calm, except in the vicinity of Hill 304, where there was a brisk rifle fire.

A contingent of Russian troops disembarked at Brest, France, today. They will be sent to a training camp and later to the front. This is the sixth contingent to arrive.

(By Associated Press.)  
BERLIN, July 17.—According to an official Petrograd report, says the Overseas agency, in the period between beginning the Russian offensive and July 1 the number of killed reached 14,900 officers and 248,000 men, including 17 generals and 29 regiment commanders.

CLEAN OUT A NEST OF GERMAN GUNNERS

(By Associated Press.)  
BRITISH FRONT, July 17.—The British captured a German trench near Pozieres. This capture strengthens the new British line in this vicinity. The British also cleared out a nest of German machine guns and their operators who hid in cellars behind barricades in the ruins of Ovillers and Laboiselle. Otherwise the situation on the British front is unchanged.

BERLIN, July 17.—The entire first class mail carried by the Danish liners Frederick VIII and Oscar II from New York was confiscated by the British authorities, the postmaster general of Denmark reports. The mail of the Norwegian liner Bergensfjord also was confiscated.

PROGRESSIVES JOIN THE DRYS

LAST STEP OF THE REMNANTS OF THE DISAFFECTED PARTY FAILS TO GET RESULTS

(By Associated Press.)  
ST. PAUL, July 17.—Rival factions of the National Prohibition party are lining up their forces preparatory to the convention of next Wednesday. Whether the party will be retained in the hands of the Old Guard which fought for forty years for principle or captured by newer elements under John M. Parker is the main question at issue. It is said the remnants of the Progressives are willing to join with the Prohibition party if the latter is willing to change the name so as to embrace more than the single issue of prohibition.

HARMAN D. JONES, district commercial manager of the Western Union, is visiting the local office today.

British Raise A Dispute Over Submarine Ruling

(By Associated Press.)  
WASHINGTON, July 17.—The allied embassies here are awaiting instructions from their home governments relative to the Deutschland, since the United States having ruled the vessel is an unarmed merchantman and entitled to treatment as such. British and French ambassadors made representations recently that she was a potential warship and should be treated as such.

(By Associated Press.)  
LONDON, July 17.—The question of the possibility of a dispute between the United States and England over the status of the commercial submarine Deutschland was raised today in the House of Commons when John Dillon asked Lord Cecil, minister of war and trade to present to Parliament all communications passing between the countries. Lord Cecil replied that it was not in the public interest to publish the correspondence now.

BILL FOR NEW IRISH GOVERNMENT READY

(By Associated Press.)  
LONDON, July 17.—Premier Asquith said in the House of Commons it was the intention of the government to introduce a bill for the erection of a new government before the adjournment for the autumn recess.

(By Associated Press.)  
BALTIMORE, July 17.—Indications are that the Deutschland will probably sail on her return voyage about the middle of the week. The stowing of cargo continues rapidly, mostly crude rubber and nickel.

LONGSHOREMEN ARE STILL OUT

SAN FRANCISCO UNION WAITING TO HEAR FROM NORTHERN COAST POINTS

(By Associated Press.)  
SAN FRANCISCO, July 17.—The striking longshoremen did not return to work this morning as expected. It was said they are waiting to hear from other local unions along the coast regarding the result of the voting on the proposition to return to work under a temporary agreement for the restoration of wages and conditions prevailing prior to June 1.

CAPLAN CASE RESET

(By Associated Press.)  
LOS ANGELES, July 17.—David Caplan's second trial for murder was set today for October 16. The jury disagreed at the first trial in May.

Annual Report West End Consolidated is Excellent

The annual report of the West End Consolidated Mining company, distributed to stockholders today, shows a total profit from mining and milling of \$264,150.33 for the year ending December 31, 1915. The production from the West End and disputed territory was 9659.03 ounces of gold and 978,305.35 ounces of silver, representing a gross value of \$694,926.61. Mining and milling costs, losses in milling, sampling and marketing bullion and transportation amounted to \$466,936.96, leaving a profit of \$227,989.65. In addition \$264,229.56 was realized from custom ores worth \$234,832.33, which left a profit to the West End company of \$29,597.23.

The net profits of the fiscal year are summarized as follows: Profits from West End mining and milling operations, and milling custom ore and disputed ore, \$264,150.33; profit from motor truck operations, \$5925.84; miscellaneous sources, \$340.11, making a total profit of \$270,416.34. This includes \$109,212.52 profit on disputed ore, which makes the net profit outside of disputed ore \$161,203.82.

Vice President B. F. Edwards, in submitting the various reports from department heads, announces the strike of the Halifax on the 1200 level and the improvement in the Santa Rosa, in which the West End holds a large block of stock. The report of milling operations is given as follows:

During the year the mill treated 56,976 dry tons of ore with a gold content of 13,943.05 ozs. and a silver content of 1,331,451.39 ozs.; gross value of ore, \$958,657.06; gross value per ton, \$16.83; gross value recovered, \$882,460.51; gross value recovered per ton, \$15.49; gross value in tailings, \$76,196.54; gross value in tailings per ton, \$1.34; recovery before shipment, 92.1%; recovery after deducting transportation, sampling and treatment charges, 90.4%.

The total recovery of metals was: Gold, 13,219.12 ozs.; silver, 1,210,037.57 ozs.; a gold extraction of 94.80%; a silver extraction of 90.88%; a total metal extraction of 90.92%.

During the year there was produced 1,223,256.69 fine ozs. bullion, containing 13,219.12 gold ozs. and 1,210,037.57 silver ozs., a residue of 56,976 tons tailing 723.93 gold ozs. and 121,413.82 silver ozs.

The gold extraction for the year of 94.80% and the silver extraction of 90.88% are the highest respective extraction figures yet attained at the West End mill. The combined extraction was 90.92% of the metallic content and 92.10% of the money value of the ore. This last extraction figure of 92.1% is the accepted method of reporting extraction. It is to be further noted that this extraction was made by cyaniding only.

The net extraction of 90.4% is the highest annual figure yet attained, and is considerably above the average 1915 figure of 89.75% for the mills of the Tonopah district.

The daily tonnage treated was 156 tons, which required 22.6 stamps dropping continuously, giving an average of 6.9 tons per day to the stamp. During the last six months of the year the average value of the ore treated was \$20.10.
